This confession of judgment is for a debt justly due to the plaintiff arising from the following facts: Defendant has consistently abused its legal position by filing frivolous litigation documents, affidavits, pleadings, and motions, in and without the state, misrepresenting the truth concerning key facts regarding the mode of operation, personnel, employees, corporate documents and status of defendant; Defendant has failed to abide by rules of court with respect to discovery, disclosures and subpoena power of the court and counsel, and has made litigation process difficult, wasteful, and expensive to adversary/ies. The conduct of Defendant was intentional and malicious and calculated to cause additional expense, delay and harassment to defendant's adversaries; such conduct was illegal, improper, unethical and unnecessary to the administration of justice and process in these matters, giving Plaintiff a cause of action.
